**CORAM : DR.D.Y.CHANDRACHUD, J.**

10th June, 2005.

P.C. :

In a suit for an injunction filed by the Petitioners restraining the Respondents from demolishing a compound wall, the Learned Trial Judge has considered it appropriate to recast the issues. I have perused the issues as recast by the impugned order dated 5th July, 2004. There is no illegality or perversity in the impugned order.

Counsel appearing for the Petitioners states that the issues which have been recast were implicit in the issues that were earlier framed. That is no ground to exercise the jurisdiction under Article 227 in the absence of any infirmity or jurisdictional error in the impugned order. The Petition is accordingly dismissed.
